

**Helpful Tips:**

1. Everything should be built using no tools.
2. You will have extra parts, those are spares.
3. Looking for ideas on how to build a unique stage set with your Mod Scenes? Check out [Modscenes.com/creations](https://modscenes.com/creations).

Contents:

Each 4-bar blinder contains the following;

- 1 - Blinder Frame
- 4 - Blinder Reflectors
- 4 - Lamp Sockets
- 1 - Bolt Package (with 9 bolts and 9 wingnuts)
- 10 - Zip Ties
- 5 - Mirror Lamps (optional add on)
- 1 - 15' Extension Looms (optional add on)

Step 1:

Unpack the blinder frame and hardware.

Step 2:

Attach your 4 reflectors to your blinder using the provided bolts and wingnuts.

(Continued)

Step 3:

Attach your blinder sockets to your blinder reflectors by screwing the socket into the reflector.

Step 4:

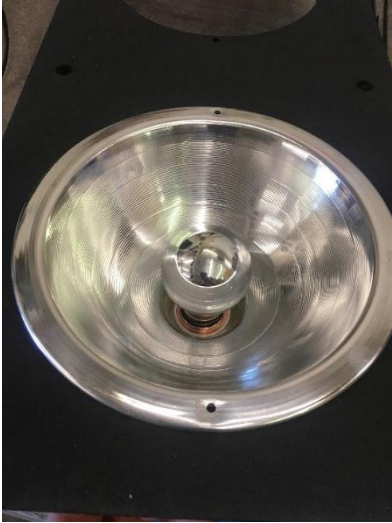

Zip tie cables to each other on the back of the blinders to create a clean look.

(Continued)

Step 5:

Insert the lamps into your blinders

Step 6:

Use the blinder extensions to reach your dimmers.

Step 9:

Enjoy your finished product.
